The Club has issued guidelines for changing as it affects junior members. These guidelines are shown below. There is also an equity statement which outlines the open constitution which the Club adopts. A copy of this is shown on the Club notice board.

GUIDELINES FOR CLUB CHANGING POLICY

The Club has applied the following guidelines which apply to Adults and Young People (under the age of 16) sharing changing facilities.

1. Adults should where possible change/shower at separate times to young people.
2. Where adults and young people need to share a changing facility, the Club must have consent from the parents that their child/children can share a changing room with adults in the Club. By allowing their child/children to play this will be deemed as parents giving their consent. If consent is not given the parents should make this clear in writing to the Club.
3. If young people need to share changing facilities with adults, their parents should be allowed to supervise them whilst they are changing if they wish to do so.

Please note:

- If young people are uncomfortable changing or showering with adults, no pressure should be placed on them to do so.
